What people say

"Please pass on our appreciation and "thank you" to Sarah. Her training yesterday was brilliant and very well received. We have already had some positive impact reports from it, and everyone agrees how thought provoking it was."

"The course supported and boosted my implementation of knowledge, as well as provided me with new and additional information to develop my skill further"

"First training I've attended with real life experiences. Very informative and should be used by more professionals"

"Absolutely fantastic, I have laughed, and I have cried, I could listen all day!"

"Very professional – for the first time I feel I'm not alone in what I have experienced"

[Conferences and Seminars](#)

Healing Children through Therapeutic Parenting (2017)

Why do some children need therapeutic parenting? How is it different from 'standard' parenting? How can we **practically** put Therapeutic Parenting strategies in place and make a REAL difference? UK Leading expert Sarah Naish, answers all of the questions and more in a clear and compelling manner. Inspirational, moving, and motivational.

Connecting Therapeutic Parents Everywhere (2018)

Hear how Sarah Naish learnt and applied the skills she has gained through her Therapeutic Parenting Journey. Focus groups on Sarah's book The A-Z of Therapeutic Parenting: Strategies and Solutions.

Straight talking solutions for professionals working with our most vulnerable children - From Trauma to Trust (2019)

Truth, Lies, and the 'Memory Carousel' – Why do our children seem to remember things one day but not the next? Why do false allegations happen and what can we do about this? Sarah Naish and Sarah Dillon will explain how this looks and feels from the parent, supporting professional and child perspectives, offering real strategies and insight to tackle these complex issues.

Practical solutions for real-life perspective - From Reactive to Proactive (2020)

Reducing stress by changing our approach to trauma. Information on the Trauma Tracker, Schools and Education, Behaviour Assessment Intervention Resolution Tools, preventing lying and stealing.

Survival Strategies for Therapeutic Parents - From Chaos to Cake (2021)

If the A-Z of Therapeutic Parenting was your roadmap of strategies through to sanity, this conference is your hot flask of tea or coffee, and a cosy blanket which will keep you warm, safe, and well on your journey, ensuring you reach the other side, mentally and physically well.
